

## Titan Mniature Lights for illuminating, probing, & inspecting narrow, deep cavities.

FIVE MODELS FOR DOZENS OF APPLICATIONS WHERE SIZE IS A LIMITING FACTOR AND BRILLIANCE IS ESSENTIAL: Die Light inspecting, testing or assembly of miniaturized instruments, electronic circuitry, panels; crossdrilled and tapped holes, castings, internal welds; interior of aircraft, automotive and other engines through spark plug openings; appliances, tubing, gun barrels. A magnetic base can be used on lathes, jig borers, grinders, vertical milling machines; extra surface and sub-stage illumination for microscopes, stereo microscopes, comparators, toolmakers microscopes, borescopes and magnifiers.

### INTRA-LIGHTS

Will enter openings as small as 0.160" dia. Light intensity 350 lumens. Plug-in stepdown transformer for standard outlet. 4' power cord with on/off switch. 3' flexible thin probe cord. Complete with (3) 3 volt 1/2 amp bulbs. Replacement bulbs readily available.

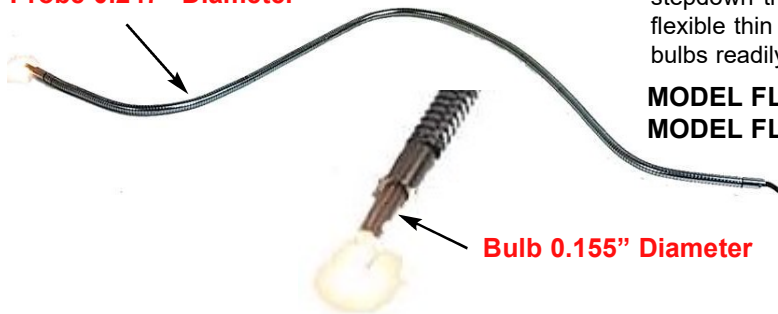

**MODEL IL-12 12" Rigid Probe Shaft** ~~WAS \$125.00~~ **NOW \$81.25**  
**MODEL IL-24 24" Rigid Probe Shaft** ~~WAS \$135.00~~ **NOW \$87.75**

### IL-12 & IL-24 Intra Lights

### FL-12 & FL-24 Intra-Flex Lights

**Probe 0.247" Diameter**

### INTRA-FLEX LIGHTS:

Will enter openings as small as 0.250" dia. Light intensity 350 lumens. Plug-in stepdown transformer for standard outlet. 4' power cord with on/off switch. 3' flexible thin probe cord. Complete with (3) 3 volt 1/2 amp bulbs. Replacement bulbs readily available.

**MODEL FL-12 12" Flexible Probe Shaft** ~~WAS \$130.00~~ **NOW \$84.50**  
**MODEL FL-24 24" Flexible Probe Shaft** ~~WAS \$160.00~~ **NOW \$97.50**

### NEEDLE-LIGHT

Will enter openings as small as 0.120" dia. Light intensity 200 lumens. Plug-in stepdown transformer for standard outlet. 4' power cord with on/off switch. 3' flexible thin probe cord. Complete with (3) 3 volt 1/2 amp bulbs. Replacement bulbs readily available.

**Model PL-12 12" Rigid Probe Shaft** ~~WAS \$120.00~~ **NOW \$78.00**

### PL-12 Needle Light

**MINIMUM ORDER IS 12 BULBS.** Identification: Intra-Light Bulbs are 0.155" diameter and knurled with a silver color. Needle Light-Bulbs are 0.100" diameter and smooth with a gold color.

### Intra Light Bulb - #ILB

**Price 12-150 Pcs. WAS \$6.00 Ea. NOW \$4.80 Ea.**  
**Price 151 + Pcs. WAS \$5.80 Ea. NOW \$4.65 Ea.**

### Needle Light Bulb - #NLB

**Price 12-150 Pcs. WAS \$6.75 Ea. NOW \$5.40 Ea.**  
**Price 151 + Pcs. WAS \$6.60 Ea. NOW \$5.25 Ea.**
