

LuxPro LED Fiberoptic Illuminator

IEC C13 Plug in back of LuxPro LED Illuminator for universal use.

IEC C13 Power Cord shown with European Type Plug. Other Plug types for world wide use can be purchased locally with the IEC C13 plug.

Relative Spectral Power Distribution

Titan Tool Supply's new LuxPro LED Illuminator sets the standard for the new generation of LED Fiber Optic Illuminators.

Harnessing the power of the industry's highest performing high-output LED's, the LuxPro LED is as bright or brighter than traditional illuminators, making it a viable alternative to existing halogen technology.

Designed for optimal thermal management to maximize reliability and optical performance, the LuxPro LED provides exceptional stability, uniformity and a more consistent color temperature than traditional EKE light sources.

The LuxPro Illuminator uses the IEC C13 plug adapter.

Benefits include:

- Exceeds Performance of 150w Halogen Illuminators; Higher Brightness, Better Color, Longer Life, Half the Energy Consumption and Reduced Ownership Costs
- Advanced Heat Pipe Technology Using Metal Core PCB's
- Superior, Precision Engineered Cooling for Extremely Quiet Operation
- Low Energy Consumption Increases Safety and Reliability
- Maintenance Free LED's Have a Minimum Lifetime of 25,000 Hours
- Eliminates 100's of Lamp Replacements
- 5/8" (0.625") Standard Nose Piece to fit all Titan Fiberoptic Light Guides

Additional Features and Benefits:

- Consistent Color Temperature
- Small Footprint and Rugged Housing is Suitable for Mounting and Stacking in Space Constrained Environments
- Linear Light Intensity Control with Continuous Dimming
- Accepts Virtually any Light Guide with Quick Change Adapters
- Universal Power Supply for Worldwide Operation
- 1 Year Warranty

Technical Data:

Color Temperature
Cool White 4500 Kelvin
Lumens @ Exit Port 1100 Lumens
Voltage 96-264 VAC, 50-60 Hz
Power 80 Watts
Lifetime Minimum 25,000 hours
Typical 50,000 hours
1.00" Diameter Nosepiece with a 0.625" adapter bushing to fit all Titan Fiber Optic Lightguides and Fiberoptic Ring Illuminators.
Dimensions: 6"L x 4.75"W x 9" D
Unit Weight 7 lbs

Ordering Information

Model Number	Illumination	Price
LuxPro-LED	LED Fiberoptic Illuminator	\$ 635.00
